

## FCC Information for the USA

SS1 (non-radio version) complies with class A limits of part 15 of FCC rules. Please consult user documentation for further EMC advice.

### Limits for Class A computing devices

This equipment has been tested and found to comply with the limits for a class A computing device pursuant to part 15 of FCC rules. These are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference, in which case the user will be required to correct the interference at his own expense.
