

# DL-MKT Data Logger Mounting Kit

The Universal Mounting Kit is a 2mm thick flat stainless steel plate with U-bolts suitable for attaching to a 42 mm (1 1/2 inch) diameter vertical pipe or post and with nuts and bolts for Delta-T GP2, GP1 and DL6 data loggers.

**Tools needed**

- 3mm Hex (Allen) key (for mounting bolts)
- 7mm spanner (for loggers GP2, GP1, DL6)
- 8mm spanner (for BX1 modem)
- 13mm spanner (for the tube clamps)
